From the Desk of the

CHANCELLOR

November 16, 2026

Dear Horned Frog Students and Families,

Thank you for the trust you place in Texas Christian University and for being a vital part of our community and mission. Every investment we make supports the world-class academic programs and nationally renowned Horned Frog student experience that prepare our students for success.

Last week, the TCU Board of Trustees held its fall board meeting and reaffirmed its commitment to responsible financial stewardship. The Board approved a tuition increase of 3.5% for the 2027-2028 academic year to cover the cost of inflation and services that support the student experience, as well as operations necessary to ensure educational excellence.

Need-based financial aid, the Neeley School of Business differential tuition and Anne Burnett Marion School of Medicine tuition will increase by the same 3.5%. Families with questions about additional financial assistance can contact the TCU Office of Scholarships and Student Financial Aid. We take seriously our responsibility to you and will continue to work to keep annual adjustments moderate as we invest in TCU's outstanding academics. We will never stop investing in the value of a TCU degree and the exceptional Horned Frog experience.

We are grateful you chose TCU, and we're proud to be part of your future.

Sincerely,

Victor J. Boschini, Jr.
Chancellor
